

We are the sustainability network par excellence where companies and organisations go in search together of answers to social challenges. Will you join us too?

Thomas Leysen, The Shift President

The Shift is an inspirational network proactive in the transition towards a sustainable society and economy.

CONNECT

Meet people from SMEs, companies and organisations already working on sustainability and be introduced to their vision, approach and results.

COMMIT

Learn to work with the United Nations' Engagement Charter for social sustainability across various domains and sectors.

CHANGE

Be inspired by pioneering projects and new earning models to cast light on the solutions to tomorrow's challenges.

WELCOME TO OUR ENTRY EVENTS

Take the test on theshift.be/takeaction and see how you score on the sustainability scale. In 2016 you will be welcome at for example:

- **The Shift Cafés;** about issues concerning sustainable entrepreneurship
 - **Network events** and sessions such as the SDG Compass Workshop
 - **Generation T;** the platform for young social entrepreneurs, activists and other change makers
 - **Job-Switch Days;** in which managers of companies and NGOs exchange hats for the day and learn a great deal from each other.
- > For everything on the what, where and when: theshift.be/activities

"We were presented with a choice. We could continue taking small steps, or we could leave our comfort zone and take a giant social leap forward. And this is exactly what we're currently doing. And really, for this you need the NGOs and the companies."

Danny Jacobs,
Bond Beter Leefmilieu
